

For years, our loyal customers and friends have asked if we “do weddings”, so it’s with great excitement that we can finally say an enthusiastic “*Yes!*”.

We focus on creating the most delicious, memorable, and affordable wedding cakes & cuisine possible so that the wedding celebration details can reflect what’s most important to the couple.

We’d be honored to be invited to your wedding & grateful for the chance to make it *delicious.*

Catering

Our delicious food is entirely hand-crafted and a reflection of the current and classic favorites that have brought hundreds of thousands of Utahns to our restaurants every year. For receptions, we offer simple sandwiches, sides, & salad buffets or boxed meals as well as entrée-style hot buffets. For wedding day festivities, we can provide the wedding party and family with breakfast pastries, boxed apps & snacks or lunches. We're also always happy to help enhance food trucks or themed main courses with appetizers, sides and desserts.

- Reception food
- Reception sides to accompany a food truck
- Rehearsal dinner meals
- Gourmet gift boxed pastries for overnight guests
- Wedding party breakfast or brunch
- Wedding party snacks & apps
- Wedding cakes, unique dessert cakes, individual desserts, pastries, cookies
- Individually-packaged take-away breakfast pastries for guests
